A lifelong resident of the Kansas City area, Kauffman was graduated in 1964 from Wentworth Military Academy in Lexington, Missouri and served for three years in the United States Army. He

was in the construction business for about 15 years, then owned an automotive parts and repair business in Peculiar, Missouri for seven years.

Louis W. Smith

Louis W. Smith became the president and chief operating officer of the Ewing Marion Kauffman Foundation in July of 1995 and he will assume the role as CEO of the foundation during the next two years.

The foundation, which was established by former Royals owner Ewing Kauffman, has approximately $1.2 billion in assets and will distribute close to $60 million a year.

The foundation is largely youth driven as $21.6 million of the $49.8 million distributed in the last fiscal year was aimed at youth development programs.

Before assuming his current role, Smith had been the president of the Kansas City Division of AlliedSignal Inc. since April, 1990. The Kansas City Division produces and procures non-nuclear electrical, electronic, electromechanical, mechanical, plastic and metal components for nuclear weapons under a prime contract for the U.S. Department of Energy. The Kansas City Division has approximately 4,500 employees and is one of the largest employers in Kansas City.

Smith, who retired from AlliedSignal on July 1, had worked at the company since 1966 when he joined on as an associate engineer. Subsequent positions at the Kansas City Division included supervisory engineer, manager of tool and test equipment engineering, director of program management and assistant general manager. In 1986, Smith was named vice president, production operations, Bendix Aerospace Sector headquarters in Arlington, VA; and, in 1988, vice president, manufacturing, AlliedSignal Aerospace Company in Torrance, CA. He was named assistant general manager, administration, of the Kansas City Division in 1989.

Smith holds a bachelor of science degree in electrical engineering from the University of Missouri-Rolla and a master of business administration degree from the Rockhurst College Executive Fellows program. He also has done postgraduate work at the University of Kansas.

He serves on the board of directors of the Ewing Marion Kauffman Foundation, Western Resources, Commerce Bank of Kansas City, Greater Kansas City Chamber of Commerce, Midwest Research Institute, Civic Council of Greater Kansas City, and The Learning Exchange. He serves on the executive committee of the Kansas City Area Development Council and the Rockhurst College Board of Trustees. A member of several University of Missouri-Rolla and University of Kansas committees, Smith is immediate past chairman of the corporate development council and a member of the Academy of Electrical Engineering at the University of Missouri-Rolla, and a member of the University of Kansas School of Engineering Advisory Board.

Smith and his wife, Sharon, have four grown children.

Richard C. Green, Jr.

Richard C. Green, Jr. is the newest board addition as he was named to the Board of Directors in February of 1996.

The Chairman and CEO of UtiliCorp United in Kansas City, MO, and vice-chairman and CEO of the soon to be merged UtiliCorp and K.C. Power and Light companies, serves as the chairman of the Greater Kansas City Community Foundation and Affiliated Trusts. He is also a member of the board of directors of Commerce Bank of Kansas City and the Midwest Research Institute.

The immediate past Chairman of the Civic Council of Kansas City and a former president of the Greater Kansas City Chamber of Commerce, he also serves as a Trustee of the Center for Strategic and International Studies and the Urban Institute in Washington, D.C.

As the fourth generation of his family to serve UtiliCorp and its predecessor, Missouri Public Service, Green heads a $3.5 billion global energy services company. He was elected CEO in 1985 and Chairman of the Board of Directors in 1989.

A graduate of Southern Methodist University with a degree in business administration, Green resides in Kansas City with his wife, Nancy, and their three children.

Janice C. Kreamer

Janice C. Kreamer was named to the Royals Board of Directors in 1995 when the Greater Kansas City Community Foundation and Affiliated Trusts, of which she is the president, took over the Royals.

Under Kreamer, the foundation distributed over $18 million in grants in 1995 for social, educational, artistic and health programs in Kansas City.

The foundation manages over 440 personal and company charitable events. It ranks among the top 20 community foundations nationally in asset size and is eighth largest in grant making with combined assets of more than $270 million.

Kreamer is also the co-chairman of the Coalition of Community Foundations for Youth, a national network of more than 90 community foundations seeking to strengthen communities in promoting the well being of children and their families.

She is a past board chairman of Johnson County Community College's Foundation and is on the board of directors of Blue Cross/Blue Shield and the Kansas City Industrial Foundation. She is a trustee of the Midwest Research Institute and Presbyterian Foundation U.S.A.

Honors the Iowa and Iowa State graduate has earned include the Kansas City Women's Chamber of Commerce 1987 Woman of the Year, Woman's Leadership Award from Avila College in 1988 and 1992 Urban League Image Award for Economic Development.

Spencer T. "Herk" Robinson

Executive Vice President and General Manager

Under the leadership of Herk Robinson, the Kansas City Royals are once again setting a mark as a model major league franchise.

The 27-year member of the Royals is in his 6th season as the club's Executive Vice President and General Manager. During this stint, which began October 10, 1990, Robinson has pushed for the Royals minor league pipeline to pump quality talent into the Royals as it did in the 1970s thru mid-1980s.

In the last six years, Robinson and his staff have reshaped the organization's major and minor league operations. Under Robinson the Royals have a rededication to scouting and signing amateur players while continuing a strong player development program and improving the club through key trades and acquisitions. This hard work seems to be paying off as the club's success has been rewarded the last two seasons. In 1995, Topps tabbed the Royals and New York Mets as co-winners of Baseball's Organization of the Year and in 1994 the Royals were named Organization of the year by Topps, *Baseball America* and *USA Today*.

Robinson's tenure with the Royals extends far beyond his current title. He and the late Joe Burke are the only Royals executives to have worked in virtually every aspect of the club's baseball and administrative operations. Robinson joined the club just after its inaugural season in December of 1969 as Assistant Scouting Director. He was steadily promoted up the Royals ladder as Director of Stadium Operations in 1973, Vice President in 1975 and Executive Vice President for Administration in 1981. This well-rounded background makes him a solid leader for the Royals.

Before joining the Royals Robinson worked for the Cincinnati Reds (1962-67) and the Baltimore Orioles (1968).

Born June 25, 1940, Robinson attended the University of Miami (FL) and Washington University (St. Louis). He and his wife Kathy, and daughters, Ashley and Amanda, reside in Leawood, KS.

1995

✦ Chris was a pleasant surprise for the Royals until a herniated disk in his lower back ended his season prematurely...posted a 3-4 record and 3.65 ERA in 16 appearances including 13 starts.

✦ the Royals were 5-8 in his starts but supported him with just 46 runs in his 13 trips to the mound, averaging just 3.5 runs per start... the Royals scored just 1 run in 3 of his 4 losses...he recorded 6 "quality" starts.

✦ made 5 starts in which he left the game as the winning pitcher of record, only to see the bullpen surrender the lead, including a game at Texas on June 8 that he left with an 8-1 lead after holding the Rangers to 3 hits over 7 innings.

✦ began the season in the bullpen...made 3 appearances, tossing 7.0 innings of 7-hit shutout ball in which he did not walk a batter while fanning 4...they were his first 3 relief outings as a member of the Royals and his first 3 bullpen appointments.

✦ made his 1st start at Cleveland on May 10 and held the Tribe to just 1 run over 5.0 innings.

✦ earned his 1st win of the season with a 4-2 victory over Seattle on May 16...credited with a complete game in that outing, but rain stopped the contest after 5.0 innings...other wins came at Milwaukee on May 25 and at Seattle on June 13, both by 3-1 scores.

✦ best outing may have been at Oakland on June 18...tossed 7.0 shutout innings of 4-hit ball, but the A's rallied off the Royals bullpen for a 3-1 win.

✦ was among the American League elite in ERA for much of the season...had a miniscule 2.09 mark as late as June 18 and was tied for 2nd in the loop with a 2.65 ERA prior to his start on July 6.

✦ lost his final 3 starts over 4 appearances as his back began to give him more trouble...surrendered 18 earned runs and 5 home runs in his final 16.2 innings after allowing just 15 earned runs and 2 round trippers in his first 64.2 innings.

✦ placed on the 15-day Disabled List on July 13 with a herniated disk in his back...transferred to the 60-day D.L. on July 30.

✦ underwent back surgery on August 3 in Los Angeles...the surgery was performed by Dr. Robert Watkins of the Kerlan-Jobe Clinic...spent the remainder of the season rehabilitating his back.

✦ was especially effective in day games, logging a 1.71 ERA compared to a 4.33 ERA when pitching under the lights.

✦ was tough on lefties, holding them to a .184 average (9-for-49) with no homers...righthanders hit .277 (69-for-249) with 7 home runs.

1995 Kansas City Royals Recap

General: The Royals underwent many changes in 1995 and laid the foundation for what should be a very bright future...the players' strike, which wiped out the end of the 1994 regular and post-season, finally came to an end in early April, forcing a shortened spring training and a delayed start to the season, which was abbreviated to 144 games...1st year manager Bob Boone and his coaching staff, which included 4 newcomers to Kansas City, had a limited time to put together an Opening Day 28-man roster...the Royals broke camp with a club record 7 rookies and 12 players new to Kansas City...when they arrived at Kauffman Stadium to open the season on April 26, they were greeted by a new grass field and fences that had been moved in 10 feet and lowered 3 feet...the Royals used a club record 51 players on their way to a 2nd place finish in the AL's Central Division.

Record: The Royals finished 2nd in the AL's Central Division with a 70-74 record, their highest finish since they were 2nd in 1989...the Royals were 30 games behind Cleveland, which posted baseball's best record...the Royals got off to a good start, winning on Opening Day for the 1st time since 1991 and for just the 2nd time since 1985...after going 6-4 in their first 10 games, the Royals fell to 10-14 on May 23, then caught fire...the Royals went 20-7 in their next 27 games, going a season-best 9 games over .500 on June 23 at 30-21...despite the hot stretch the Royals only gained 1/2 game in the standings on Cleveland...Kansas City dropped 8 of its next 9 and 11 of 14 to fall back to 33-32 at the All-Star break, in 2nd place but 12 games behind the Tribe...the Royals played at or within 4 games of the .500 mark during the entire 2nd half as they battled for a wild card playoff berth...the Royals stood at 45-49 after a loss to Seattle on August 11 when the front office shook things up...they made 11 roster moves, deleting veterans Vince Coleman, Pat Borders and Chris James and calling up Johnny Damon, Michael Tucker and Henry Mercedes...the club responded by winning 17 of their next 27 games and went into a 3-game series in Seattle on September 8 with a 62-59 record, holding a 1/2 game lead for that final playoff spot with just 23 games left...the Royals were swept by the Mariners in that series to fall out of the driver's seat, but made one final push with a 4-game winning streak, including 3 in a row at California, to remain in contention with just 2 weeks left...a season-high 6-game slide at Kauffman Stadium against Minnesota and Cleveland ended any playoff hopes for 1995 and the Royals finished 1995 on a down note, dropping 11 of their final 13 games to finish 70-74.

Divisional Playoff Pairings

For the first time in Major League Baseball history, a "wild card" team made the playoffs in 1995. The three divisional winners from each league, along with the second place club with the best record advanced to a best-of-five first round. The winners then moved on to a seven-game league championship series.

Pinch Hitter Rule

A player shall be considered a pinch hitter only if he enters the game as a substitute batter and then only on his first time at bat which must be before he becomes a fielder. (If the team bats around and a pinch hitter comes up a second time in the inning in which he first appeared, he will not be considered a pinch hitter during that second time up).

A substitute hitter for a designated hitter is both a pinch hitter and a designated hitter on his first time at bat. On subsequent trips to the plate he is a designated hitter only.

Designated Hitter Rule

A hitter may be designated to bat for the pitcher in any spot in the batting order in any game without affecting the status of the pitcher. The designated hitter must be selected and be included on the lineup cards presented to the umpire-in-chief prior to the game. Failure to do so precludes the use of a designated hitter for that game.

The designated hitter is "locked" into the batting order but may be removed for a pinch-hitter or pinch-runner, who in turn becomes the designated hitter. The designated hitter, while still in the game, may be used defensively but the pitcher then assumes the batting order of the replaced defensive player, thus terminating the designated hitter role. The designated hitter is eligible for all American League batting titles.

No-Hitter Summary

Steve Busby, Jim Colborn and Bret Saberhagen are the only pitchers in Royals history to have hurled no-hitters.

Busby accomplished the feat on 2 occasions, the first coming at Tiger Stadium when he held Detroit hitless on April 27, 1973. He gave up 6 walks and struck out 4 as Kansas City won 3-0. His 2nd gem also came on the road on June 19, 1974 at Milwaukee's County Stadium where he blanked the Brewers, 2-0. It was in near perfect fashion as the only baserunner was George Scott, who walked to lead off the 2nd inning.

Colborn recorded the 1st no-hitter by a Kansas City pitcher in Kauffman Stadium on May 14, 1977, when he blanked the Texas Rangers, 6-0. It too was nearly a perfect outing as Colborn walked one batter and hit another while facing only 28 batters.

Saberhagen recorded his gem in Kauffman Stadium vs. the Chicago White Sox on August 26, 1991. He walked 2 and fanned 5.

California Angels ace Nolan Ryan recorded the 1st no-hitter in Kauffman Stadium on May 15, 1973. He struck out 12 and allowed only 3 base runners, all walks, in the 3-0 win, his 1st career no-hitter.

Royals Hall of Fame

The Royals Hall of Fame was established to honor individuals who have made exceptional contributions to the Royals organization.

To date, 13 people have been inducted into the Royals Hall of Fame. Outfielder Amos Otis and pitcher Steve Busby were inducted in the inaugural ceremony in 1986; Paul Splittorff, Cookie Rojas and Dick Howser were inducted in 1987; Dennis Leonard and Hal McRae were added in 1989; while Fred Patek, Larry Gura and Joe Burke joined the select group in 1992. Owner Ewing Kauffman was the sole addition in the Silver Anniversary season of 1993, George Brett was added in 1994 and Frank White joined the Hall in 1995.

Amos Otis' career with the Royals spanned 14 years (1970-1983) when he held down the starting centerfield spot. He compiled a solid .280 average in a Kansas City uniform with 193 home runs, 992 RBI and 340 stolen bases while winning three Gold Gloves and five All-Star nominations. He was the Royals Player of the Year three times (1971, '73 and '78).

Steve Busby was one of the Royals best pitchers and top competitors despite having his career shortened by a shoulder injury. From 1973-75 he averaged 18.6 wins, 260 innings and 177 strikeouts per season while establishing many club records. A two-time All-Star, he's the only pitcher to toss no-hitters in each of his first two big league seasons.

Paul Splittorff's big league career included action in 15 seasons from 1970-84. He was a mainstay on the staff from 1972-80 when he averaged nearly 15 wins and 220 innings per year. He holds the Royals career records for wins, starts and innings pitched. In 1973 he became the first 20-game winner in Royals history.

Cookie Rojas brought eight-and-a-half years National League experience to the Royals in 1970 and his experience and leadership abilities were felt immediately with the young expansion team, providing a solid base for future championships. Rojas was named to the American League All-Star team four consecutive years (1971-74).

Dick Howser managed the Royals from August 31, 1981 to February 23, 1987 before losing a courageous battle to cancer on June 17, 1987. During Howser's regime, the Royals won two division titles and a World Championship in 1985. He compiled a 404-365 record (.525) while guiding the Royals. His uniform number 10 was the first number retired by the Royals.

Dennis Leonard is the only three-time 20-game winner in Royals history. The three-time Royals Pitcher of the Year holds the club's career record for complete games, strikeouts, and shutouts, and single season highs in starts, complete games, innings pitched and strikeouts. His 130 wins from 1975-81 were the most by a righthanded pitcher in the major leagues.

Hal McRae's hard-nosed, aggressive style of play set the tone for the Royals championship clubs. He spent 14 full seasons in a Royals uniform and was recognized as one of the AL's most prolific designated hitters. He was a three-time All-Star, led the league in doubles twice and topped the loop with 133 RBI in 1982. He earned Royals Player of the Year honors in 1974 and '82.

Despite being the smallest player in the big leagues at 5-4, **Fred Patek** was a cornerstone of the early success of the franchise. He wore a Royals uniform from 1971-79, posting a .241 average in 1,245 games, earning a pair of All-Star game selections from his shortstop position. He led the league with 11 triples in 1971 and with 53 stolen bases in 1977.

Larry Gura logged a 111-78 record as a Royal, a 59 percent winning percentage, the top mark in club history. The crafty lefthander was a member of the 1980 American League All-Star squad and twice was selected as the Royals Pitcher of the Year (1978 and 1981). His career highs for wins came in 1980 and 1982 when he recorded 18 victories.

Under **Joe Burke's** guidance, baseball achieved its greatest success in Kansas City. He joined the club in 1973 and served as General Manager from 1974-1981. He was President of the club from that time until cancer took his life in 1992. He was named Major League Executive of the Year in 1976 and was named "Mr. Baseball" at the Kansas City Baseball Awards Dinner in 1978.

The strength and integrity of **Ewing Kauffman's** ownership was the cornerstone of success for the Royals during the club's first 25 years. Since purchasing the club as an expansion franchise in 1968, Mr. K's primary motivation was to provide winning Major League Baseball for Kansas Citians. His leadership helped make the Royals one of baseball's most successful franchises.

George Brett wrapped up a 20-year Hall of Fame career with the Royals in 1993. The 13-time All-Star and 8-time Royals Player of the Year is the club's all-time leader in every offensive category except stolen bases. He was an American League MVP, a Gold Glove Award winner and 3-time AL batting champion. His uniform number 5 will never be worn again.

Frank White was *the* defensive star for the Royals from 1973-90 as he won 8 Gold Gloves, an American League record for 2nd baseman. He was selected to the All-Star team 8 times, named the Royals Player of the Year in 1983 and 1986 and tabbed as the ALCS MVP in 1980. He is 2nd on the Royals career charts in hits, games and at bats and is 3rd in doubles and home runs. White's number 20 has been retired.

GULF COAST ROYALS

The 1995 Gulf Coast Royals could not quite match the 1994 Royals 47 wins, a Gulf Coast League record, but they were able to do something last year's team could not – win the Gulf Coast League championship...the Royals boasted a regular season record of 37-20, winning the Southwest Division of the GCL by 2 games...the Royals then swept through the playoffs, defeating the White Sox in the semi-final round, then taking the Tigers in 2 straight for the title...Jeff Martin, Todd Thorn and Jeff Wallace each hurled complete games in the playoffs, allowing a combined 2 earned runs with 20 strikeouts...the Royals captured the Triple Crown with Jose Cepeda winning the batting title with a .348 average and Gary Coffee taking the home run and RBI crowns with 11 and 45 respectively... Coffee's home run total was the highest in the GCL since records were kept beginning in 1968...Coffee also led the league with a .582 slugging percentage, was 3rd in hits and was tied for 3rd with 23 extra base hits...Doug Blosser tied for 2nd in the league in homers with 7...Martin earned the league's ERA title with a 1.47 mark...Coffee and Cepeda earned all-league honors while Bob Herold earned the loop's nod as Manager of the Year.

Royals Radio and Television Networks

For the 22nd consecutive season, WIBW Radio (AM-580) in Topeka, Kansas, will serve as the Royals flagship station.

Under the guidance of General Manager Tom Cheatham, the Royals Radio Network (which is owned by Stauffer Communications, Inc. - a subsidiary of Morris Communications) will broadcast 15 spring training games and the entire 162-game regular season schedule. The network affiliate in the Kansas City area will be KMBZ-980. KMBZ, which has carried the Royals in 22 of the club's first 28 seasons.

The Royals Radio Network is the largest network in the American League in terms of number of stations (more than 110) and geography (9 states).

In its 4th season as the flagship station for the Royals Television Network is KSMO-TV (Channel 62) in Kansas City. KSMO-TV is an independent station owned and operated by Sinclair Broadcasting which is headquartered in Baltimore, Maryland.

The Royals Television Network will televise live 53 Royals regular season games (50 road games and 3 home games) and 2 spring training contests during the '96 season.

The voices on the radio network will be familiar in 1996 with Denny Matthews and Fred White, the longest tenured pair in the American League, handling the play-by-play and former Royals Paul Splittorff and John Wathan adding color analysis. Dave Armstrong, in his 4th year, will be joined by Splittorff on the television network.

Denny Matthews will call the action on Royals radio for the 28th season. He was chosen from more than 300 applicants for the number 2 announcer position prior to the Royals initial season in 1969, then took over the number 1 job after the 1975 season. Paul and his wife Lynn live in Blue Springs, MO and they have a son and a daughter.

Royals Hall of Fame pitcher **Steve Busby** is the newest additon to the broadcast team as he was named the play-by-play voice for the Royals Television Network on February 8.

The 46-year-old Busby, who played with the Royals from 1972-80, has spent the last 10 years announcing Texas Rangers baseball on KTVT-TV. He was the analyst from 1986-89 and assumed the play-by-play duties in 1990. Prior to that, he was a member of the Home Sports Entertainment broadcast team for Rangers games from 1983-85 and served the same role with KXAS-TV from 1982-84. Figuring Magic Number

To determine a team's "Magic Number" in the pennant race, compute the number of games remaining, add one, then subtract the number of games ahead in the loss column of the standings of the closest opponent.

Ewing M. Kauffman Stadium

Recognized throughout baseball as one of the game's most beautiful ballparks, Kauffman Stadium is sporting a grass playing surface for its 2nd season after making the conversion from artificial turf prior to the 1995 season, which was the first time grass had adorned Kauffman Stadium's field. The stadium was known as Royals Stadium since its opening in 1973 and was officially dedicated in honor of Ewing M. Kauffman in a ceremony at the stadium on July 2, 1993.

Mr. K bought the club as an expansion franchise in 1968. He led the team in its first 25 years. He passed away on August 1, 1993.

He founded Marion Laboratories, a Kansas City based pharmaceutical manufacturing company in 1950, and turned a $1,000 first year net profit into a diversified health care company with sales of nearly one billion dollars.

A large part of Mr. K's wealth was returned to the Kansas City community as he formed the multi-million dollar Kauffman Foundation, now in its 10th year, to benefit Kansas Citians.

Among the awards Mr. Kauffman won for his leadership include the Kansas City Press Club's 1973 Man-of-the-Year, the "Mr. Baseball" honoree at the Kansas City Baseball Awards Dinner in 1976 and 1991 and induction into the Missouri Sports Hall-of-Fame. He also received the Horatio Alger Award, the Golden Plate Award from the American Academy of Achievement, the Kansas City Chamber of Commerce "Kansas Citian of the Year" award and the Distinguished Service Award from the Amercian Legion.

The grass field at Kauffman Stadium, which includes 5 kinds of bluegrass and one kind of rye, was grown in Ft. Morgan, CO. Approximately 2 1/2 miles of plastic drainage pipe was installed first followed by a 4 inch layer of pea gravel. The next layer known as the "root zone" is a mixture of sand and peat and is 14 inches deep. The infield dirt is a mixture of top soil and sand.

A grass playing surface is not the only change Kauffman Stadium has taken on. The dimensions were also changed prior to 1995. The fences were not only moved in 10 feet from bullpen to bullpen, they were also lowered from 12 feet to 9 feet.

Since its opening a total of 43,893,532 people have visited Kauffman Stadium, including a record 2,477,700 in 1989.

The stadium opened April 10, 1973 with the Royals defeating Texas 12-1 before 39,464 fans. Since then, many exciting games have been contested here, including the 1973 All-Star game, 3 no-hitters, playoff games in 1976, '77, '78, '80, '81, '84 and '85 and 7 World Series contests in 1980 and 1985.

Kauffman Stadium features a 12-story high scoreboard and 322-foot wide water spectacular. The scoreboard contains 16,320 light bulbs, most of them on the 40 by 60 foot screen. The water spectacular is the largest privately funded fountain in the world.

Added in 1990 was a state of the art Sony JumboTron color video display board, installed on the leftfield hillside. The largest video board in the U.S. measures 30 by 40 feet and the top of the board features the Royals logo. In keeping with the architecture of the stadium, the exisiting water spectacular featuring cascading water now extends to the leftfield corner.

Four circular ramps and 4 escalators make all sections easy to reach. 20,316 of the 40,625 seats are on the lower level with 2,487 on the club level and 17,822 on the upper level.

The Royals played 1,724 games on artificial turf at Kauffman Stadium posting a 1004-720 (.582) record.
